2012 Above & Beyond Teacher Award

For the thirteenth year, the Wheeler Academic Booster Club will present a special award to those Wheeler teachers who have gone "Above & Beyond," giving their time and talents to help and encourage the students of Wheeler High School. Last year, **Maggie Kelavkar** and **Julia Barry** received the Above & Beyond Award.

We are asking parents and students to nominate teachers who they feel go the extra mile to make Wheeler the great school that it is. Think about those teachers who are always willing to work hard to bring recognition to Wheeler and to support ideas that improve our school and its reputation in the community.

Fill out the nomination form below and return to Wheeler to the Admin I office, in an envelope marked "ABC Above & Beyond." Thank you!

NOMINATION DEADLINE: FRIDAY APRIL 27th, 2012
